In accordance with the provisions of controlling law, even notwithstanding the fact that an exemption noted above may apply, the City hereby publishes the following information:

1. Summary of the proposed ordinance (must include a statement of the public purpose, such as serving the public health, safety, morals and welfare):

In recent years, Florida has experienced an increase in the number of adult arcades. Such establishments typically offer simulated gambling devices for use by the public. Recognizing that adult arcades are associated with illegal gambling and other crimes, including violent crimes and property crimes, the proposed ordinance seeks to prohibit the operation of such establishments and thereby contribute to the health, safety, and general welfare within the City.

2. An estimate of the direct economic impact of the proposed ordinance on private, for-profit businesses in the City, if any:

(a) An estimate of direct compliance costs that businesses may reasonably incur:

None. Existing, lawfully operating adult arcades may continue to operate as non-conforming uses.

(b) Any new charge or fee imposed by the proposed ordinance or for which businesses will be financially responsible:

None.

(c) An estimate of the City's regulatory costs, including estimated revenues from any new charges or fees to cover such costs:

Not applicable.

3. Good faith estimate of the number of businesses likely to be impacted by the proposed ordinance:

None. Existing, lawfully operating adult arcades may continue to operate as non-conforming uses.

4. Additional information the governing body deems useful (if any):
