The surtax will commence January 1, 2017, and automatically sunset on December 31, 2026. The City of Greenacres will receive an estimated \$23,000,000.00 over the ten-year period. For Fiscal Year 2017, The City is proposing the following projects:

Wes Kain - Home Town Hero

Christmas came early during the month of December 2016 at the City of Greenacres CARES program. Wes Kain, co-star of the Vanilla Ice Project, dropped into the City of Greenacres Leisure Services aftercare program and donated items for the center. Mr. Kain toured and visited the facility back in September and spoke to the children about making good choices and dreaming big. He grew up in Greenacres, Florida and was impressed with the Gold Star facility and the programs they offer. *"They didn't have anything like this when I was growing up."* he said. He had asked if the center needed anything and was provided a list of items.

The Director of Leisure Services, Michele Thompson, and Youth Supervisor Jowie Mohammed had about 50 children present when Mr. Kain donated the items and spoke to the kids. He again reiterated that if you make good choices, your opportunities are limitless. And he talked about giving back and paying it forward.

The most moving moment was when a young boy, Christian, asked to speak. He thanked Mr. Kain for coming and said that he really appreciated Wes thinking of the kids in Greenacres when he could be anywhere and because he was famous. He said that the items donated are important, but that his taking the time to come back was very important. Community Hall may be the only place the kids get to have the chance to play an Xbox or watch a movie on a big TV. He then called Wes a real "home town hero" and said he had real character. The two hugged and it was a very emotional moment for everyone. Many gathered for a group photo afterwards. Mr. Kain stated he would be back again...Greenacres is a great place to live!

SpraySafe & Stay Safe

In an effort to protect residents and visitors to our parks, Greenacres is one of the first municipalities in the County to install Spray Safe insect repellent machines. The Spray Safe system utilizes insect repellent that is biodegradable, non-toxic and certified organic. Users will swipe their credit card to pay the \$2.00 fee and will have 30 seconds to spray all exposed body parts. Machines will be located at Freedom Park, Community Park, Ira Van Bullock Park and Veterans Park.

New City Website

The City of Greenacres is in the process of developing a new website to enhance user friendly capabilities. The upgrades provide for a streamline look, allowing the user to navigate easily, simplify content management, and provide better information and customer service to the community while meeting high standards for design quality, visual appeal and new design that represents the prestige of our City. The website should go-live sometime in the Spring of this year.

Countywide CPR Day - FREE for the General Public

Saturday, February 11, 2017, from 9:00 a.m. - 12:00 p.m.

Why? Teaching "Hands Only CPR" can save many lives by filling our community with people who are trained to give sudden cardiac arrest victims the immediate help they need to survive until professional medical help arrives.

Who Will Teach? "Hands Only CPR" will be taught by students from the Palm Beach County School District Medical Magnet Program along with Palm Beach State college Students who are "Hands Only CPR Instructors."

What do I need to do as a Citizen if I want to learn? Show up wearing comfortable clothes and a willingness to learn CPR to make a difference in someone's life.

\$30,000

*A Municipal Election costs approximately \$30,000 each year? Out of approximately 39,000 Greenacres residents, there are 20,737 registered voters and only 5% have typically voted in Municipal Elections. That means out of 39,000 people, only 1,100 people are deciding who is in office. **Exercise your right to vote!***

Absentee Ballot

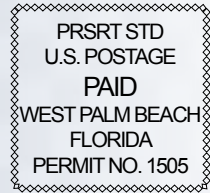

The City has to pay between \$4.00 - \$5.00 per Absentee Ballot to the Supervisor of Elections office, regardless if that ballot is ever returned? In the 2015 Election, 23% of election costs were for Absentee Ballots and \$5,081.67 was spent on ballots that were not returned. Please make sure that if you are requesting a ballot, you are also returning it. YOU are paying for it!

Vote

*Voting is a right and a privilege. Please make sure you are registered and vote. Election day is **Tuesday, March 14, 2017**. Polls are open from 7 am to 7 pm.*
