

**BID NO. 24-020
GLADIATOR LAKE DRAINAGE ENHANCEMENTS**

ADDENDUM NO. 1

April 30, 2024

This addendum shall modify and become a part of the bid document. Specifications not specifically mentioned in this Addendum are not altered by any changes, amendments, deletions, or additions.

Reply to Requests for Information:

- 1. Please confirm if you would like the bid submission to consist of just 1 original and 1 copy.**

Yes, the bid package should contain one (1) original and one (1) copy.

- 2. Should we call prior to visiting the site or can we go anytime?**

The site has public access and can be visited anytime. Please see attached for the map of the accessible locations.

- 3. Since this is a rebid, did anything change from the previous bid?**

No changes have been made.

- 4. Can you clarify if bid item 4 Demolition (retaining wall removal) quantity includes the wood wall, cbs wall, metal sheet pile and rip rap head wall?**

This item includes all types. The types are specified on the plan.

- 5. Can you clarify if bid item 5 Demolition (fence removal) quantity includes the 4-6' chain link fence, wood fence, wire fence and aluminum fence?**

This item includes all types. The types are specified on the plan.

- 6. Can you clarify what bid item is the removal of the existing RCP to be included with?**

An item has been added for removal of all existing drainage RCP and CMP pipe as part of this addendum. See attached for updated Bid Schedule.

- 7. Can you clarify what bid item is the removal of the existing wood deck and wood ramp to be included with?**

Include under Item 8: EXCAVATION, HAUL, AND DISPOSE OF EXISTING LAKE EMBANKMENT MATERIAL

- 8. Can you clarify what bid item is the removal of the existing rail road ties to be included with?**

Include under Item 8: EXCAVATION, HAUL, AND DISPOSE OF EXISTING LAKE EMBANKMENT MATERIAL

9. Can you clarify what bid item is the removal of the existing asphalt within the drainage easement to be included with?

Include under Item 8: EXCAVATION, HAUL, AND DISPOSE OF EXISTING LAKE EMBANKMENT MATERIAL

10. Can you clarify what bid item is the removal of the existing shed and concrete to be included with?

Include under Item 8: EXCAVATION, HAUL, AND DISPOSE OF EXISTING LAKE EMBANKMENT MATERIAL

11. Is a Marine Contractor License acceptable for this project?

A marine contractor capable of seawall removal and construction can team up with an underground contractor such that the licenses required to remove seawalls/bulkheads, install seawalls/bulkhead, grade the earth, operate barge with excavation equipment on it if, install drainage piping, and restore pavement and sidewalk are covered. A licensed surveyor for the asbuilts and a licensed testing company for all testing will also be required to be part of the team.

The proposal submission deadline is Tuesday, May 7, 2024 at 3:00 PM. Any proposal response received after the designated closing time will be returned unopened.

Any questions concerning this Addendum should be addressed to Monica Powery, Director of Purchasing at (561) 642-2039.

All Proposers shall acknowledge receipt of this addendum by annotating the proposal signature page with the addendum number, completing the section below, and returning with the proposal response to verify receipt.
